BENSON FURAHA MWANDORO
SOFTWARE DEVELOPER

P. O. BOX 7 • Gongoni, Kenya. benfuraha2017@mail.com. (254)740548173

PROFILE

Detail-oriented and innovative software developer with a strong proficiency in the frontend stack, including JavaScript, HTML, CSS, Visual Studio Code, Git, and GitHub. Successfully transitioned from a background in Agricultural and Biosystems Engineering to tech through the ELP Tech Apprentice program at E & M Tech House Limited. Adept at creating responsive, user-friendly web applications and collaborating effectively within teams. Driven by a passion for continuous learning and problem-solving, aiming to leverage diverse technical and analytical skills to contribute to dynamic tech projects.

EDUCATION AND TRAININGS

UNIVERSITY OF ELDORET   **Eldoret, Kenya**

Bachelor of Engineering in Agricultural and Biosystems Engineering   **November, 2023**

KAGUMO HIGH SCHOOL   **Nyeri, Kenya**

December, 2016

E & M TECH HOUSE LIMITED   **Ruiru, Kenya.**

Frontend Developer, ELP Tech Apprentice Program

- Spearheaded the development and maintenance of the frontend for a sophisticated Collateral Management Solution System utilizing advanced JavaScript, HTML, and CSS techniques.
- Collaborated synergistically with cross-functional teams of developers and designers to engineer a highly responsive and user-friendly interface, enhancing user engagement and satisfaction.
- Leveraged Git and GitHub for meticulous version control and seamless collaborative development, ensuring code integrity and streamlined workflow.

West Kenya Sugar Company   **Bungoma, Kenya**

Engineering Intern,   **May,2023-July,2023.**

- Engaged in hands-on engineering projects, contributing to the optimization of agricultural and biosystems processes within a leading sugar manufacturing company.
- Conducted detailed analyses and assessments of production systems to identify areas for efficiency improvement and cost reduction.
- Analyzed data and prepared technical reports on crop performance and machinery efficiency, aiding in strategic decision-making

LEADERSHIP AND ACTIVITIES

Kilifi County Equity Leaders Chapter

Chapter President   **Oct 2021 - Present**

- Directed a dynamic team of 50 members, spearheading community outreach programs that boosted local engagement by 30%.
- Orchestrated leadership training workshops, significantly enhancing the leadership capabilities and effectiveness of chapter members.

SKILLS & INTEREST
